

Regional Training Session: Site Plan Review

with Glenn Greenwood
Assistant Director Rockingham Planning Commission,
and New Hampshire Association of Conservation Commissions

Learn the basics of development site plan review. Join this session to learn basic engineering terms and graphic symbols so that your commission or board can better evaluate site plans.

When: Sunday, September 17, 2017 from 1 to 3 PM

Where: Kingston Community Library

Workshop is free of charge. Email Barbara Richter at Barbara@NHACC.org to register with your name, position, organization, and contact information (email and phone).
